School Swimming Carnival Postponed

Dear Parents and Carers,

Due to the forecast of extremely poor weather conditions for tomorrow, we have made the decision to postpone the Hurstville PS Swimming Carnival. We have been closely monitoring the Bureau of Meteorology weather forecast all week and it is currently predicted that there will be significant periods of rain throughout the day, with the possibility of a thunderstorm.

To ensure that we maintain the safety of our students, staff and community members, we have advised Bexley Pool and our transport providers that we will not be proceeding with tomorrow's carnival, due to these weather concerns.

Once the alternate arrangements for the swimming carnival are finalised, we will send an updated note for the swimming carnival out to all families.

Thank you for your support and understanding with this matter.

Yours Sincerely

Mark Steed
Principal
Hurstville Public School
