Meet the Specialists Information Session 2024

Dear Parents and Carers,

Specialist staff at Hurstville Public School work with students in the classrooms, on the playground and in small group withdrawal sessions. Staff in specialist roles are an integral part of our school community and support students with their academic, social and emotional needs.

On **Monday 4 March**, our specialist teams (Languages, EAL/D, Learning & Support, Library, Community Wellbeing Team, Counsellors and AP Curriculum and Instruction) will be holding an information session for all parents to learn about the role each team plays in enhancing the learning and wellbeing outcomes of our students.

There will be light refreshments provided from 9.15am in the **Main Hall** followed by the information session from **9.30am to 10.15am**. You are invited to attend and find out how specialist staff support your child at school.

We look forward to seeing you there.

Mrs Rupinder Singh
Assistant Principal

Mr Mark Steed
Principal
