Dear Parents and Carers,

To complement our studies in the Geography unit "**Factors That Shape Places**", Year 6 students will be going on an excursion to **Wattamolla in the Royal National Park, Sydney**. This excursion provides students with an opportunity to use the Geographical Inquiry process and tools to investigate Wattamolla and formulate a plan for its future management. Students will complete a loop bushwalk on the coast track and out to the lookout at Providential Point. They will also identify natural features, draw a labelled field sketch, use fieldwork tools to measure weather conditions and observe preserved animals to link littering to an impact on animals and the environment.
