Extra-curricular Dance 2025

Dear Parents and Carers

At Hurstville Public School we offer dance classes taught by qualified dance teachers from Elevate Dance who strive to build a positive self-image in dancers and enable students to build a love and appreciation of dance as an art-form.

All dance groups will perform at the annual **Hurstville Public School Spectacular on Wednesday 6 August 2025.**

In 2025, dance classes will start at **8 am**. Students need to arrive at school at **7:50 am** ready to commence classes. All students will meet their dance teacher and a Hurstville Public School dance Coordinator under the COLA outside the main hall. Unlike previous years there will be no HPS teacher supervising dance classes as this is a service provided by licensed external providers. No student is to enter any building without their dance teacher. It is extremely important that students arrive before the class starts and that they attend all dance sessions. If your child is away from school, payment is still required for all classes.

By joining a dance group, you are making a **financial commitment for the length of the program**. We ask that you and your child sign the Commitment to Dance Contract. Students are unable to withdraw from the dance program, as it impacts on the group's performance, as well as the payment to the dance studio. Students with outstanding fees will not be able to continue dancing.

The financial commitment includes \$10 for each class, which covers payment to the dance teacher and operational costs. This year costumes will be coordinated through Elevate Dance at a cost of \$75. **An invoice requesting payment will be sent out separately.**

Once dance classes are formed, parents, carers and students will be notified via a note outlining the day and venue for lessons. Stage 2 and Stage 3 dance classes **will not** be held on a Friday morning to allow all students to participate in PSSA if applicable.

Please return the permission and Code of Conduct note as soon as possible as classes will have a set number of students. Students will not be able to join a dance group once the classes in their grade are full.

CODE OF CONDUCT EXTRA-CURRICULAR DANCE

Dear Parents and Carers

Your child has been offered the opportunity to participate in a dance group, an activity that may include travelling outside of the school. They will be receiving instruction from dance teachers who are not part of the Hurstville Public School Staff.

This commitment is for the duration of the year, and it will incur additional fees for costumes and travel to and from venues.

While participating in this activity, your child will be an ambassador for Hurstville Public School and your family. The behaviour and attitude of our students, while participating in activities with community members, reflects our school and affects the safety and wellbeing of all participants.

It is, therefore, essential that all students understand our expectations and abide by our Code of Conduct.

Please discuss and co-sign the following Code of Conduct with your child to ensure a common understanding between students, staff and parents. Participation in this activity is dependent on the Code being signed and adhered to.

CODE OF CONDUCT FOR STUDENTS INVOLVED IN EXTRA-CURRICULAR DANCE

1. Maintain safe and acceptable behaviour at dance lessons and performances.
2. Wear appropriate clothing for dance.
3. Cooperate at all times with those supervising and participating in the activity.
4. Listen politely. Do not talk when an adult is speaking.
5. Try to the best of your ability at all times.
6. Always show respect for, and abide by, the dance instructor's directions and decisions.
7. Be a good sport. Encourage fellow dance team members.
8. Maintain good manners, making no criticism either by word or gesture.
9. Behave responsibly and safely while travelling to and from a venue.
10. Treat all students with courtesy, fairness, tolerance and respect.

CODE OF CONDUCT FOR PARENTS OF STUDENTS IN EXTRA-CURRICULAR DANCE

Your child will be participating in the Hurstville Public School Dance group both during and out of school hours. Your child will be under the care and supervision of Elevate dance instructors. Parents and family members need to observe the following Code of Conduct and school rules:

1. Encourage participation of your child.
2. Remember that children dance for enjoyment.
3. Ensure that your child arrives at dance practice each week at 7:50am. When a child is late it disrupts the lesson for all students involved.
4. Ensure that your child is dressed appropriately for dance lessons.
5. All communication is to be done via the Hurstville Public School Dance Coordinators.
6. Any concerns or issues with your child's involvement in the group should be made via the supervising Hurstville Public School Dance Coordinator Kelly Lin, Karly Metters and Michelle Milne not the Elevate Dance instructor.
