EDUCATION WEEK

EVERY STUDENT, EVERY VOICE

At Hurstville Public School we celebrate **ALL voices**. As part of our transformation, we have been engaging with the Learning Disposition Wheel and the 4C Capabilities of Communication, Creativity, Collaboration and Critical Reflection.

We would like to showcase what Communication looks like at our school.

9.15am – 10.15am: A question and answer panel with teachers, students and parents in the school hall about **Communication**

10.15am – 11.00am: Classroom visits to showcase how we explicitly teach communication

11.00am – 11.45am: Morning tea in the hall
