Stage 3 Soccer Skills Program

Dear Parents and Carers,

As part of our ongoing commitment to Physical Education, Stage 3 students have the opportunity to participate in three soccer skills training clinics in Term 2, free of charge, as it is funded by the School Sporting Initiative. Students from Stage 3 will attend these clinics either on Tuesday or Thursday from Week 6 to Week 9. Support Unit Green, 6R, 6H, 6C, 5D, 5T and 5K will be going to Kempt Field on Tuesdays. 5L, 5N, 5S, 5C, 6P, 6S, 6L and 6T will be going to Kempt Field on Thursdays.

This program gives the students the opportunity to develop fundamental skills associated with soccer, while also covering gross motor and movement skills. The program is linked with syllabus outcomes.

The program will be delivered by Sydney FC Sporting School, who will provide qualified physical education coaches and a comprehensive range of professional equipment to deliver the program. The soccer skills program will be delivered each Tuesday and Wednesday for 45 minute sessions, beginning in Week 6 (6th June to 25th of June) for 3 sessions.

All sessions will be held on Kempt Field and will be supervised by classroom teachers.

Kind regards,

Mark Steed
