**Year 1 – Term 3 Gymnastics Program**

Dear Parents and Carers,

As part of our ongoing commitment to Physical Education, Year 1 students have the opportunity to participate in an 8 week Gymnastics program in Term 3. This will assist them with their physical development and to successfully achieve outcomes from key strands in the NSW Physical Education, Health and Personal Development syllabus.

The program will be delivered by Fit Futures, who provide qualified physical education teachers and a comprehensive range of professional equipment to deliver progressive and highly motivational gymnastics activities.

The program will be delivered **each Tuesday** for a 40 minute session, **beginning in Week 3, Term 3** (6 August 2019). All sessions will be held on school grounds in the school hall and will be supervised by classroom teachers.

In Term 3, our sports day will change from Thursday to **Tuesday**, each week. Students will need to wear their sports uniform every Tuesday.

This year, we have been fortunate to receive a sporting grant which minimises the cost of the gymnastics program. The cost of the program is **\$27**. Information regarding payments will be attached to the Term 3 Invoice which will come out later this term.

Please fill out the slip below if you would like your child to participate in the 8 week Gymnastics program this term. **Payment will only be accepted through the Term 3 Invoice.**

We look forward to seeing the students' skills develop throughout the term.

Kind regards,

Mr Mark Steed  
Principal

  
Ms Natalie Saad  
Year 1 Team Leader
